- 8.4. The costs for Swapping are covered by payment of the Subscription Price. During the Subscription Period and subject to Article 8.6, the Member may request an unlimited number of Swaps without incurring any additional charges. However, Swapfiets may refuse a Swapping until such time as the Member has paid any outstanding Subscription Price or other Charges to Swapfiets.

- 9.2. In case of a Subscription with a minimum term, the Subscription Period begins on the date stated in the Order Process and remains in effect for the minimum term agreed in the Order Process. Subject to the provisions of Article 18, early termination will not be possible and a Member may terminate the Subscription with a notice period of one month prior to the end of the minimum term. All rights of the Member under the Subscription will end from the moment the Member hands in the Micro-Mobility Product to Swapfiets or the Micro-Mobility Product is picked up by Swapfiets, without prejudice to the Member's obligation to pay the full Subscription Price until the End Date.
- 10.2. Prior to returning the Micro-Mobility Product in accordance with Article 10.1, the Member may cancel its termination free of charge by sending an email to Swapfiets. The cancellation notification must be received by Swapfiets no later than on the day preceding the End Date. A Subscription cannot be reactivated free of charge after return of the Micro-Mobility Product to Swapfiets.
- 10.3. - 10.4. If the Subscription is terminated by Swapfiets and the Micro-Mobility Product is not returned to Swapfiets within seven days from the End Date, Swapfiets will consider this a theft by the Member. In that case, the Member will be obliged to compensate Swapfiets on a pro rata basis for the loss suffered in the amount equal to the Subscription Price for the relevant type of Subscription. Such Charge is without prejudice of the right of Swapfiets to request full compensation of the loss suffered by it to the extent that such loss exceeds the Charge set in Appendix III-E.

Where possible, the Micro-Mobility Product must be secured to an object using the chain-lock. In addition, if the Micro-Mobility Product has a battery, the battery should be taken out and stored in a safe place when parked, and must always be secured with the provided lock while riding. If the Micro-Mobility Product and/or battery is not locked or secured in accordance with Article 11.1 and an incident occurs (including vandalism, loss or theft), the Member will owe Swapfiets (in addition to the Charge referred to in Article 11.3) a negligence Charge for the applicable Subscription as specified in in Appendix III-F/G.

- c. if the Member cannot hand over the key of the lost or stolen Micro-Mobility Product to Swapfiets.

- 11.4. If it turns out that the Member has provided incorrect information or has made false statements, the Member shall be fully liable for this. Swapfiets will be entitled to claim any damages from the Member resulting therefrom and to charge an unfairness Charge as set out in Appendix III-H. This unfairness Charge will be charged in addition to the Charge referred to in Article 11.3 and any negligence Charge.
- 11.5. Notwithstanding the surcharges and compensations referred to in this Article 11, Swapfiets reserves the right to claim from the Member compensation up to the amount of actual damages suffered by Swapfiets resulting from the theft or loss of (parts of) a Micro-Mobility Product and/or the battery.
- 11.6. If the Micro-Mobility Product and/or the battery which has been notified to Swapfiets as lost or stolen are found again, Swapfiets may, at its discretion and subject to the technical and optical condition of the relevant Micro-Mobility Product and/or battery, reimburse the Member any Charges paid.
- 11.7. If the Micro-Mobility Product has been removed by the municipality or other public authorities, Swapfiets will contact the Member regarding the collection process. Any costs for obtaining the Micro-Mobility Product or other related costs will be payable by the Member. Swapfiets will be entitled to charge costs for this to the Member, such as any costs incurred by Swapfiets to obtain the Micro-Mobility Product and the relevant Charge as set out in Appendix III-I.

12. Theft Coverage

- 12.1. If theft or loss occurs and the Member has Theft Coverage for their relevant Subscription, the Charges otherwise applicable under Articles 11.1 and 11.3 for theft or loss are either reduced or eliminated to the extent specifically outlined in Appendix IV.
- 12.2. When the Member has taken out Theft Coverage, the Charges specified in Appendix III-F and Appendix III-G are replaced by those set out in Appendix IV-A and Appendix IV-B, respectively, provided that at the moment of invoking the Theft Coverage, the Member has i) paid its fees for Theft Coverage and ii) fulfilled all criteria provided in Article 11 (including but not limited to, the timely reporting of theft or loss and properly securing the Micro-Mobility Product).

13. Damage and Accidents

- 13.1. The Member shall report damage to (parts of) the Micro-Mobility Product and/or battery to Swapfiets within 24 hours of the accident occurring or of becoming aware of the damage, or as soon as reasonably possible if the Member is incapable of meeting this deadline due to exceptional circumstances, for example in the event of a hospital stay after an accident. This applies regardless of the extent of the damage or accident and regardless of whether the Member has caused the damage or accident or not.
- 13.2. In the event of damage of the Micro-Mobility Product (including any other items, such as batteries and chargers, that were provided with the Micro-Mobility Product) the Member will owe Swapfiets a Charge for such damage as specified in respect of the relevant Subscription in Appendix III-G/J/K or, if certain parts of the Micro-Mobility Product are damaged, Swapfiets will be entitled to charge this to the Member up to the amount of the relevant Charge.
- 13.3. Swapfiets reserves the right to claim from the Member compensation Swapfiets for any losses arising as a result of a failure by the Member to notify Swapfiets about damages or accidents or failure to notify within the aforesaid timeframe. This includes all additional expenses incurred by Swapfiets for the purposes of repairing the damage as well as third parties' compensation claims which would have been avoided if notice of the defect had been given within the aforesaid timeframe.
- 13.4. In the event of damage and wear and tear to the Micro-Mobility Product other than what may be expected from normal use (such at the discretion of Swapfiets), or if the Member has caused the accident, Swapfiets reserves the right to claim from the Member up to the amount of actual damages suffered by Swapfiets.
- 13.5. If there is any damage caused by the contributory fault or fault of a third party, the Member shall submit within 24 hours from the moment the Member became aware of the damage, or from the moment of the accident to Swapfiets, the contact details of this third party as well as a description of the scene that has been agreed by the Member as well as by the third party that was involved in the accident. An accident report form is available on the Website ([Hyperlink](#)). Swapfiets reserves the right to charge the Member for all costs and damages arising as a result of a failure by the Member to provide the contact details of the third party or to submit the accident report.
- 13.6. In case of an accident with the Micro-Mobility Product, solely the Member will be liable for any damages resulting from such accident, unless the accident was the result of a defect in the Micro-Mobility Product attributable to Swapfiets and the accident would not have occurred without such defect.

13.7. Notwithstanding the foregoing, in case of an accident with the Micro-Mobility Product, the Member shall not accept any liability to a third party (e.g. by acknowledgement of a liability or by giving a comparable statement) without Swapfiets' prior written consent. Otherwise, the Member alone will bear the consequences of such (accepted) liability and the Member shall indemnify Swapfiets from any third party claims in connection with such acceptance of liability. The Member is not permitted to accept any liability on Swapfiets' behalf or on behalf of Swapfiets' insurer.

14. Accessories

- 14.1. The Member may add-on an Accessory Subscription to the Micro-Mobility Product Subscription, provided the relevant Accessory is available in the Service Area in which the Member has subscribed. The Accessory Subscription is a separate subscription and may be terminated independently of the Micro-Mobility Product subscription.
- 14.2.
